Item	Average replacement cost	Average repair cost	Notes
Smartphone	\$800-1000	\$40-200	Batteries are about \$40, screen repairs are \$200-250
Tablet	\$600-800	~\$500	Apple tablets not repairable – we have to pay for a full device replacement but at a discounted rate
Laptop	\$1000-1500	~\$400-500	Most common damage is screen repairs
Computer accessory	\$5-100	N/A	This could be anything from a USB cable to a mouse or keyboard
SIM card	\$2	N/A	This may actually be covered by the MNS contract, so nil cost
