

# EXPLANATORY NOTES FOR THE LIFE INSURANCE COMPANIES TAXATION SCHEDULE 2007 – CONSOLIDATED GROUPS

## INTRODUCTION

These notes are designed to help in the preparation of the *Life insurance companies taxation schedule 2007 – consolidated groups*. They are **not** a guide to the income tax law.

## STATEMENT OF INCOME – SEGREGATED EXEMPT ASSETS (SEA)

### Net investment income – SEA

If a life company reconciles accounting income to taxable income, it must include at **A** the total accounting net investment income for SEA. If a life company uses a taxation basis to determine income derived from SEA, please supply the following details of ordinary and statutory income derived from SEA: all investment income from SEA **less** losses made from the disposal of SEA assets. Investment income includes gains made on the disposal of investments, interest income, dividend income, trust distributions, partnership distributions, net rental income and all other investment income.

Show whether the company used an accounting basis or a taxation basis to determine net investment income derived from SEA by printing **X** in the relevant code box at the right of the amount shown at **A**.

### Premiums from exempt life insurance policies

Show at **B** the total amount of gross premiums received from exempt life insurance policies.

## STATEMENT OF TAXABLE INCOME – ASSESSABLE INCOME

### Premiums from accident and disability and term policies

Show at **C** the total amount of gross premiums received from accident and disability and term policies. Term policies include assets (including money) having a total transfer value equal to 'risk riders' that are transferred from the virtual pooled superannuation trust (VPST) under section 320-195 of the *Income Tax Assessment Act 1997* (ITAA 1997). Disability policies include continuous disability policies.

### Premiums from other life insurance policies

Show at **D** for the ordinary class the total amount of gross premiums received from all life insurance policies for the ordinary class except for:

- exempt life insurance policies
- term policies (including riders)
- accident and disability policies.

Show at **E** for the VPST the total amount of gross premiums received from VPST life insurance policies.

### Total ordinary income – ordinary class

Show at **F** the assessable income that is income according to ordinary concepts for all members of the consolidated group, except for the ordinary income of the complying superannuation class of any life insurance company which is a member of the consolidated group.

### Total complying superannuation assessable income

The total assessable income of the complying superannuation class includes both income according to ordinary concepts and statutory income. Show at **G** the assessable income that is allocated to the complying superannuation class under subsection 320-137(2) of the ITAA 1997.

The total assessable income of the complying superannuation class includes transfers to the VPST as stated in **Transfers to VPST** on the next page, and must be shown at **G**.

## STATEMENT OF TAXABLE INCOME – ALLOWABLE DEDUCTIONS

### Complying superannuation class tax losses claimed

Show at **H** the amount of tax losses of the complying superannuation class claimed as a deduction under section 320-141 of the ITAA 1997.

#### NOTE

Do not show any amount in part A of the *Consolidated groups losses schedule 2007* for tax losses of the complying superannuation class but show complying superannuation class tax losses carried forward to later income years and VPST net capital losses carried forward to later income years in part D of the *Consolidated groups losses schedule 2007*.

#### NOTE

##### Other tax losses

Show other tax losses in the **Tax losses utilised** labels in part A of the *Consolidated groups losses schedule 2007*, and all other relevant labels in the *Consolidated groups losses schedule 2007*.

## **Total allowable deductions – complying superannuation class**

The total allowable deductions of the complying superannuation class include tax losses of the complying superannuation class which have been claimed as a deduction. The deductions (other than tax losses) of the complying superannuation class are determined in accordance with subsection 320-137(4) of the ITAA 1997. The tax losses of the complying superannuation class are determined in accordance with section 320-141 of the ITAA 1997.

Show at **1** the total allowable deductions of the complying superannuation class.

Note that where the sum of the amount of the deductions of the complying superannuation class referred to in subsection 320-137(4) of the ITAA 1997 exceeds the sum of the amounts of the assessable income of the complying superannuation class under subsection 320-137(2) of the ITAA 1997, the sum of the amounts of the deductions of the complying superannuation class is to be shown as the same amount as the sum of the amounts of assessable income of the complying superannuation class. That is, the deductions shown at **1** cannot be greater than the assessable income shown at **6**.

## **TRANSFERS**

### **Transfers to VPST**

Show at **L** the transfer value of assets (including money) transferred by the company to the VPST under subsections 320-180(3) and 320-185(1) of the ITAA 1997.

### **Transfers from VPST**

Show at **M** the following amounts:

- the transfer value of assets (including money) transferred by the company from the VPST under subsections 320-180(1) of the ITAA 1997, and
